Alcohol & Drug Abuse Prevention

Alcohol and Drug Abuse Prevention and Assistance

Every UOPX location offers sexual assault awareness and prevention training annually to students, faculty, and staff, including information about how alcohol and drugs can be a contributing factor in sexual assault. Please contact the Campus Safety Coordinator for information on where and when this educational event will occur. Students have direct access to this training from the Policy and Compliance link on [MyPhoenix](#). In addition to the information provided in these offerings, UOPX provides the following prevention and assistance resources.

Student Resources

UOPX offers substance abuse and various counseling services to all currently enrolled students via the Life Resource Center, directly accessible from the student [MyPhoenix](#) website. The Life Resource Center offers no-cost, confidential services available 24/7/365 by calling (844) 492-0546. Services include:

- The Online Counseling Center to get short-term counseling on issues including managing stress, relationship issues, family concerns, substance abuse, grief, trauma, loss, anxiety, and depression

- Life coaches to assist in areas such as time management, work-life balance, managing change, transitions, and stress

Employee Resources

UOPX provides an Employee Assistance Program (EAP) administered by Uprise Health as an employee benefit. All employees have access to the EAP whether they obtain other benefits through UOPX. Information about the EAPP 2 A

Physical and Psychological Dependence and Effects of Specified Drugs

There is a vast array of health risks associated with chronic drug and alcohol use, including but not limited to: depression; liver and kidney disease; psychosis and impaired thinking; heart attack; seizures; stroke; high blood pressure; violent outbursts; paranoia; anxiety; and increased risk of birth defects and developmental issues during and after pregnancy. For more information about the health risks associated with alcohol and particular types of drugs, please visit <https://nida.nih.gov/research-topics/commonly-used-drugs-charts>.

Standards of Conduct

UOPX prohibits the use, sale, possession, or distribution of illicit alcohol and drugs on University Controlled Property or at a UOPX function and complies with state underage drinking laws. (*Note:* the legal drinking age in the United States is 21 and over.) Additional standards of conduct for students and faculty are addressed in the Student Code of Conduct and Faculty Code of Conduct, respectively. Also, faculty and staff are subject to the Alcohol and Drug Abuse Prevention and related policies found in the internal Policy Library.

Sanctions UOPX will Impose for Alcohol and Drug Violations

UOPX will fully cooperate with federal, state, and local law enforcement agencies regarding unlawful possession of drugs and the unlawful consumption of alcohol on University Controlled Property or at a UOPX function. Any member of the campus community found consuming or selling alcohol and illicit drugs on UOPX property is subject to disciplinary action, up to and including dismissal from UOPX.
